Free Public Form on Mental Health with

State Representative VAL HOYLE

Date: Tuesday, September 25, 2012

Time: 1 pm to 3 pm

Place: Lane County Behavioral Health
2411 Martin Luther King Jr. Blvd
Meeting Room 198
Eugene, Oregon 97401

A free light lunch is served at the start of this public meeting. After a brief presentation there will be a lively moderated discussion about important mental health issues in Lane County.

REP. VAL HOYLE has a passion about mental health issues. Her committees place Rep. Hoyle in the center of mental health and Oregon health system changes: Co-vice chair of both Health Care and the Ways and Means Subcommittee On Human Services. House District 14 stretches from West Eugene to Junction City.

All are welcome: Family members, mental health workers, and the public.

All mental health consumers and psychiatric survivors are especially encouraged and invited to attend!

For seven years, The Council has met monthly in the headquarters for Lane County Behavioral Health, opposite

Autzen Stadium. There is free parking. Enter the building and turn to the right to find Meeting Room 198.

NOW MORE THAN EVER...

This Council is becoming even more necessary because of all the changes in the Lane County public health care system. Please stay for a brief agenda about mental health client concerns.

All are invited! Please re-distribute this flyer. Because of interest space may be limited, so please arrive early.
